

DOLCE FLAV

BUNDLE DOCUMENTATION GUIDE

Bakers Dozen

This pack contains separate flavoring products. Use each included bottle's matching formula documentation; the pack is not a single blended formula.

Listed flavors

Banana, Blueberry, Cinnamon, Lemon, Orange Creamsicle, Passion Fruit, Peach, Peppermint, Raspberry, Strawberry, Pistachio, Watermelon, Coconut

Formula and document matching

The current bundle page describes oil-soluble flavors. Confirm each delivered bottle's identity and solubility before selecting a document. Similar flavor names can have different formulas.

Lot-specific and regulatory documents

For a COA, provide the bottle lot and product name. For SDS or INCI requests, specify the exact formula and intended application. Bundle composition and availability may change; the supplied bottle labels take

precedence.
